

# ***Let's spread the word!***

## ***OK - we did it!***

We've changed our name and opened up our membership to current and former IBMers regardless of their years of service.

## ***Now comes the hard part ...***

How do we attract others to join the Alumni?

What's in it for them?

How do we 'sell' the benefits of being part of our Alumni?

Our newsletters go out to current members - not prospective members - so *we need your help to get the word out.*

## ***Here's how you can help spread the word:***

1. ***Tell us*** what value you place on membership of the IBM Alumni (with permission to post on our website or social network where appropriate)
2. ***Tell us*** how we can do better (with permission to post on our website or social network where appropriate)
3. ***Use your current network*** to tell others about the IBM Alumni through
  - Conversations with your mates/cohort
  - Social media posts - Facebook, LinkedIn, What's App, etc
4. ***Bring a guest*** to our next event
5. ***Share this newsletter*** with your cohorts
6. ***Post items/photos on our website or Facebook pages*** to promote activities/events which may be of interest to our members
7. ***Keep fellow members informed*** on welfare or significant achievements of yourself and other members
8. ***Promote registrations or expressions of interest*** in participation in events/activities in your local area

*The Windsor is Australia's most loved and renowned grand hotel, pre-dating The Savoy in London, The Plaza and The Waldorf Astoria in New York, The Ritz in Paris, and Raffles Hotel in Singapore. Established in 1883, it combines the classic beauty and architecture of the Victorian age with the graciousness of that bygone era.*

## Lunch at The Windsor Sunday, November 10

In lieu of an Annual Dinner this year the Victorian Chapter has opted for a top-class lunch at a much loved and respected venue to set the scene for members of our Alumni to connect and share their stories.
