

IBM Alumni Australia

Lunch at The Windsor

It was great to see many new faces amongst the Members and guests who attended our first IBM Alumni Lunch at Melbourne's most treasured venue.

Noel Fidock celebrated his birthday and took out the major raffle prize of High Tea for Two at The Windsor.

Keep spreading the word

Most new membership applicants have been referred by friends who are current IBM Alumni members. We don't have access to IBM employment records so can only reach out to prospective members via our website and social media. It is pleasing to see many of our new members are from different states or off-shore locations.

We continue to work with colleagues in other States to provide their own web pages to upload photos, documents and updates on events and other activities

of interest to members in those locations. We will continue to update our QCC Honour Board to include those all QCC Chapters.

We hope to see current employees of IBM and Kyndryl seek membership of our Alumni to keep us informed and 'in touch' with latest technology and trends.

Let's hear from you
